university of Punjab Jhelum campus

bachelor in computer science

- GPA: 3.3/4

army public school and college Jhelum cantt

ICS from FBISE

- percentage:74%

PROFESSIONAL EXPERIENCE

Frontend Developer Intern

- **Mindzbase | Gulberg Green, Islamabad | Aug 2023 – aug 2024**

 Website: <https://www.mindzbase.com>

- Converted the company's static HTML, CSS, and JavaScript website into a modern, scalable Next.js application.
- Developed and maintained responsive user interfaces with clean, reusable components.
- Integrated REST APIs and implemented dynamic content rendering with React.
- Applied UI/UX design principles to improve usability, accessibility, and cross-device performance.
- Collaborated closely with backend developers and designers to ensure seamless functionality and design consistency.

PROJECTS

1. Responsive Portfolio Website

A personal portfolio website to showcase profile, projects, and contact details.

 Tech: HTML, CSS, JavaScript, nextjs

 GitHub: github.com/uzair6677/uzairportfolio
